Must Be The Music

F# **E**
Sometimes I listen to what people try to say,
E
Then when I tune I think no thats not the way.

(CHORUS)

F# **E**
E-----
G-----12BU(14)--12--10-----
B----11-----11---

F# **E**
It must be the music,
F# **E**
sounds so confusing.
F# **E**
Must be the music,
F#
thats opening my eyes.

It must be the music,
sounds so confusing.
Must be the music,
they keep me re-alive.

Sometimes I listen to what people try to say,
Then when I tune I think no thats not the way.

Sometimes I listen to what people try to say,
Then when I tune I seem so far away.

It must be the music,
sounds so confusing.
Must be the music,

thats opening my eyes.

It must be the music,
sounds so confusing.
Must be the music,
they keep me re-alive.
