--NOTE tune the E string down to a D-- very important!

I hope you have as much fun playing this as i did working it out and singing it.
Note it is the acoustic version that i found and downloaded so is proably
different
to the chemical brothers version.
Noel Gallagher is a genius and i hope if you re reading this you agree :)
Anyway go for this on an acoustic.

You re the devil in me I brought in from the cold

You re the devil in me I brought in from the cold,
You said you re body was young buy your minds still very old,
You re comin on strong and I like the way,
The visions we had are fading away,
You re part of a life I ve never had,
You know I ll tell you man it s just to bad,
I ll tell you man it s just to bad,

I ll tell you man it s just to bad,
I ll tell you man it s just to bad

--CHORUS

Because you re coming on strong,
You re coming on strong,
You shinin your gun
Like a setting sun

BECAUSE you re comin on strong,
YEAH you re comin on strong,
YEAH you re shinin your gun,
