

Shout It Out Loud
Oasis

Written By Noel Gallagher

Em D C D C

I hope we have found our sweet release
I hope I fill that hole in you soul
I hope that at last we get some peace
I hope the light shines on we as one

D C9

There ll never be enough to learn
the river s deep and the road is long
and every which way we turn
always seems insane
but it makes me feel alive

Am C G D

Shout it out loud
when I m alive
I Shout it out loud
when I m alive
I Shout it out loud
when I m alive
I Shout it out loud

Em D C D C

As we wish the world away
D you think it s all a dream
cos that s what it seems

Every night we hope and pray
that we can do enough
to keep our love
