

**Songbird**

**Oasis**

[Intro] **G**

**G**

Talking to the songbird yesterday

**D/F# Em7**

Flew me to a past not far away

**Em7**

She s a little pilot in my mind

**D/F# G**

Singing songs of love to pass the time

**G**

Gonna write a song so she can see

**D/F# Em7**

Give her all the love she gives to me

**Em7**

Talk of better days that have yet to come

**D/F# G**

Never felt this love from anyone

**G**

She s not anyone

**D/F# Em7**

She s not anyone

**D/F# Em7 D/F# G**

She s not anyone

**G**

A man can never dream these kinds of things

**D/F# Em7**

Especially when she came and spread her wings

**D/F# Em7**

Whispered in my ear the things I d like

**D/F# G**

Then she flew away into the night

**G**

Gonna write a song so she can see

**D/F# Em7**

Give her all the love she gives to me

**Em7**

Talk of better days that have yet to come

**D/F#      G**

Never felt this love from anyone
