Waiting For The Rapture
Oasis

[Intro] **Am**

      C2/G

Am   **Am/D**

I still don t know what I was waiting for

F   **Am**

A big love to fall down from the sky

Am   **Am/D**

She took my hand and picked me up off the floor

F   **Am**

She put an apple in my eye

(Refrão)

                  C   **Am**

I said I m tired

              F   **Am**

Come get me off the merry-go-round

      C   **Am**

I m wired

           F

Come feed me

                        Am

And then bring me down

Am

She come up to me

 Am/D

I can t remember what she said

F   **Am**

Cos I was in a trance and I forgot it all

                                  Am/D

Banging on about all the revolution in her head

F   **Am**

She make her lover seem so magical

                  C   **Am**

She said I m tired

              F   **Am**

Come get me off the merry-go-round

      C   **Am**

I m wired

             F

Well heaven must have sent you

    E

To save me for the rapture

[Solo] **C Csus2/G Am F**

```
        C Csus2/G  Am   F

             C              Csus2/G                     Am
I said  I m tired
            F                                             C
Come get me off the merry-go-round
     C              Csus2/G                    Am
I m wired
        F
Come feed me
                                   C         F
And then bring me down

( C   F )
( C   F )
( C   F )
( C )
```
