[Song with no name]

Written by Oblivion, Copyright 1998

Words by Andrew Boltman, Music by Cornel de Jongh

Nicol du Toit

Chords: Emadd2, Cadd2, Gadd2, Dsus/F#

Emadd2                    Cadd2

The name of this song

Gadd2                    **Dsus/F#**

Well nobody knows

Same chords->

The more we play it

It s popularity grows

Thinking of the words

Took quite some time

And finally it came

Into my mind

Chorus:

**Em**                    **C**

This song has no name

**G**                    **D**

And so it ll stay

**Em**                    **C**

For many years to come

**G**                    **D**

Every Night and every day

Verse 2:

Same Chord as verse one

It s tune is sweet, like that of a rose

And our aim is some day, to be as good as those pro s

Many words can fit this, song oh so fine

A song with a great tune, a song for the blind

Chorus

Solo!!

Verse 3:

Same chords as previous 2 verses

A sad song, A happy song, this song so great

You can sing it to your girlfriend, sing it to your mate

Chorus

This song has no name, no name at all X2
