

Jellyfish
Ocean Alley

A wildly underrated song from one of my fav albums x

[Intro]

Dm C Dm C

[Verse 1]

Dm

I ve been tipsy-topsy turning

C

Slip n Slide and swerving

Dm

My way through life, and nothing s too concerning

C

The record keeps on turning

Dm

It feels so right, and everything s so wavy

C

I m feeling kind of lazy

Dm

In paradise and finding somewhere shady

C

Blazing with your lady

Dm

You have your pride

[Chorus]

F

And wouldn t it be lovely

C

Am

A#

If everything was bubbly?

Dm

F

And nothing should be ugly

C

Am

A#

Just fuzzy, warm and cuddly
