It keeps me  C  I m not so s  And all the  C	running down  G scared but it  G places I war	n Debris Road, t s somewhere t to go, G w on my Debris	F C	С	

I get frustrated looking for moonbeams, They always fall where I never go, Cos I like the daylight and I like the goodlife, Running so fast down Debris Road.

Someone got moonfaced and someone gets tearful, Talking so much that they really don t know. Staying up all night singing songs till daylight, And striking a match with the devil below.
