DRIVE AWAY

A HYPERACTIVE WORKOUT FOR THE FLYING SQUAD.

Intro - C

C

You drive away the best of you

Am

Its all thats left to say

Dm

You leave me with the rest of you

G

You ve made it on your way

C

I need a call to say from you

Am

Just before you go

Dm

The more that i ve been close with you

G

The door was always closed

C

Drive away no

Am

There s nothing you should say

Dm

Drive away no

G

But drive us anyway

C

Getting up and straight you go

Am

There s nothing left to say

Dm

And beggin s not my place you know

G

You wouldn t hear it anyway

C

Cos all the days i ve let you stay

Am

I sort of made you blind

Dm

It s more than i can really say

G

Why it is it traps you all inside

C

Drive away no

Am

There s nothing you should say

Dm

Drive away no

G

But drive us anyway

C

You made it all get so uptight

Am

I made it in between

Dm

You went hoorah and all arise

G

And then you hid behind your scream

C

You hit me where i just don t go

Am

I think you got inside

Dm

I hope the world looks good from there

G

I hope it looks alright

C

We never made it all the way

Am

We never made it all the way

Dm

You take the best of you

G

I ll keep the rest of you

C

Drive away no

Am

There s nothing you should say

Dm

Drive away no

G

But drive us anyway

Repeat the pattern to fade.

Use your middle finger to hammer on.
