A nice and easy song with only 4 chords and one continuous pattern!

F = 133211

C = 032010

G = 320030

AM = x02210

Standard Tuning: **E|A|D|G|B|E**

Intro: **F**

C **G**
If anyone rises at 6.31
Am
And fakes all day that
F
They re having their fun
C **G**
They never did get it right
F
Since they got it so low

C **G**
To anyone drinking the morning away
Am **F**
The afternoon will prove a mistake
C **G**
They never will get it right
F
Now they ve got it so low

C **G**
And we laugh and we drink
Am **F**
And we teach ourselves not to think
(and we find it hard not to think)

C **G**
We never did get it right

F
Since we got it so low

C
To all of the faces that
G

Freeze for you there

Am **F**
In your memory when you try not to care

C **G** **F**
They never disappear down the slow road

C
For all of those people

G
Who bleed by the side

Am
And split from their tongues

F
And sharpen their knives

C **G**
They never will get a life now

F
They've got it so low

Chorus

C
Cornfields and pig-tails and

G
Fish in the stream

Am
The night that the boys stole

F
A billion dollar dream

C
From the high jinx school

G **F**
For girls down the road

C
Stories are smoke trails

G
And some may be true

Am

You re listening to me

F

But I m talking to you

C

G

I hope you never fall from grace

F

If you get it so low

Chorus (x2)

That s it - Enjoy!
