Start of the Day - Ocean Colour Scene  
-----

This is a great song played by a great band on a great album and it got stuck in my head from the first time of hearing it.

This is my first tab so I m not gonna guarantee this to be completely right but it sounds close to me. If you have any comments or suggestions then please email me at pilky@mcubedsw.com

Intro: **G# Bb7sus4** x2

**G# Bb7sus4 G# Bb7sus4**  
I wanna know how it feels to be alone as it appears to me  
**G# Bb7sus4**  
As the start of the day is the end of the night  
**G# Bb7sus4**  
so the end of the night is the start of the day  
**G# Bb7sus4 G# Bb7sus4**  
I know that s true cause everybody knew before me so where do I go now

**Eb Eb/F# Eb/G**  
It s the start of the day, it s the end of the night, the end of the night,  
**Eb/F#**  
it s the start of the day  
**Eb G# Bb**  
And once it is gone it will never come back again

**Eb Bb Eb Bb**  
Well we know where we are and we know that we ve come so far  
**Eb Bb**  
And we ll never go back again

Now I know it s true, cause everybody knew before me, so where do I go now?  
So take me back to the start where I was falling apart  
They re all the things you want to be you never want to be with me

It s the start of the day, it s the end of the night, the end of the night, it s the start of the day  
And once it is gone it will never come back again

Well we know where we are and we know that we ve come so far  
And we ll never go back again
