

The Clock Struck 15 Hours Ago
Ocean Colour Scene

And the clock struck 15 hours ago, it is shining
And the man who is wasting on the wall
Looks a lot like Jesus
And a little bit resembling
The man in the mirror in the hall
And I rose-trayed(?) sailors
And you still shining
And im still waiting not to go
And I lied for sailors
And I lied for certain
And I lied to the only one who knows
I believe in god
I believe in loving
But I donâ€™t speak to anyone who knows
And I need four 50â€™s, and 3 yellow lemons
And someone to take me home
And Iâ€™d forgotten the one who is sailing
On the water beside where you donâ€™t go
And its strange to tell
The one who is shining
Is someone I forgot I used to know
And the clock struck 15 hours ago..
