Lay down your head,

And look to your window.

Where did you go?
Am C
Well it s not where you re going.
G D
And how do you see
Am C
When the light isn t shining?
G D
Where you could be,
Am C
If you worked out the timing.

The world comes back sorry and true_____

Am **C** **D** **Am**

How_____ do you do the things you do to you?

Verse 2:

If I were a king,
And you were a lady.
What would I sing,
To say what I m saying?
Would you believe,
The verse is left open.
A hole in my sleeve,
Brown an all broken.

[chorus]

Verse 3:

Sell me a river,
And I ll skate away,
To the downstream,
Where I did play.
So easy minded_____.
Like the hill on the skyline,
I tripped and landed,
And got lost on the sidelines.

[chorus - repeat last line]
