Hey all - These are the chords to Travllers Tune on the Marchin Already album. There are two versons of this song. One was from THE DAY WE CAUGHT THE TRAIN (Acoustic) single, and this one which features PP Arnold. This verson is much better though. If anyone went to see them on the tour Marchin Already, mail me sometime to chat about OCS.

**G** **F**  
Where did you go - buttoned in your favorite coat

**G** **F** **C**

But if you find yourself standing on the corner whilst you re thinking of a  
differnet world

different world

Verse 2:

-----

And if I could swim - I d go out and find my boat  
Sail away to my favorite coast - and let you all in
