

The Abortion Plan
Oceana

This is just something really easy I put together.
Capo on 2

Em

I left my head when I was home,

C

I caught an evil side of me,

D

I only breathe when I m alone.

A

The days await till I am gone.

Em

I grew right next to your heart.

C

I should have grabbed it and pulled it down.

D

I feel what you re feeding me.

A

I hear what you really speak.

Em

Could the eater rot in time?

G

He s sucking out the lines that make you notice
the world as an illusion.

C

Your body pushed through it.

In birth it all confuses us.

D

What do I do when I m lying on a table?

Em

G

My mother didn t want me, my whole life I ve been starving. 9 months to grow

C

inside you, my life was as fresh as the mind of an infant.

D

Where did I go? Hell, I knew that my heart wouldn t make it.

Em

And the due date is close.

G

Well heaven knew it take a part of me.

D

A

But I only speak, I only speak when I am hungry.

Em

Now the lights on my face.

G

D

And I ve never felt more ugly when the devil grabbed me by the legs and shook

me.

A

I was gone.

Em

G

You said it, you said it.

D

A

Homes where death is, I ll just forget it.
