**Am:** X02210  
**G6:** 320000  
**C:** X32010  
**Cmg7:** X32030  
**G:** 320003

**Am**                      **G6**  
Took a big trip, With your old band  
**C**                              **Cmg7**  
To your homeland, For the wrong man

**Am**                      **G6**  
Making big plans, For your own sake  
**C**                              **Cmg7**  
Hope they donâ€™t bend, Hope they donâ€™t break

Repeat chord pattern:  
(ba ba ba...)

Took a tip from a rodeo show  
Get a grip or youâ€™re gonna get thrown  
Take your aim when you take a shot  
For the man under you will take everything you got

Take the pills that they give you mornings  
Spit them out when they arenâ€™t looking  
Keep a smile but you burn it hot  
Itâ€™s a mad, mad, world

**Am G C Cmg7**  
Na na na na na na (X4)

Take the pills that they give you mornings  
Spit them out when they arenâ€™t looking  
Fix a smile but you burn it hot  
Itâ€™s a mad, mad, world

The chord change from **C** to **Cmg7** can always be dropped, and I like to substitute **G** for **G6** during the instrumental parts.
