

Take Me Away
Odd Robot

[Chorus]

A **F#m**
Take me away, Take me Away
D **E**
Cause I don t want no Part
C#m **F#m** **Bm**
of this emotionally challenged twelve-year-old
D **A**
trapped in the body of a man

[Verse]

D **E**
how did we end up with a failed business man
A
with a finger on the doomsday vibe?
youâ€™re hardly even qualified
D
to pull your own head out of your ass today

[Chorus]

A **F#m**
Take me away, Take me Away
D **E**
Cause I don t want no Part
C#m **F#m** **Bm**
of this emotionally challenged twelve-year-old
D **A**
trapped in the body of a man
