

**Alligator  
Of Monsters and Men**

**D** **D**  
I see colour raining down  
**D** **D**  
Feral feeling, swaying sound  
**Bm A D**  
But I don't know what you want

**D** **D**  
I am open and I am restless  
**D**  
Let me feel it out  
**D A**  
Let it all come out

**Bm**  
Wake me up  
**A G**  
I'm fever dreaming  
**A Bm**  
And now I lose control  
**A D**  
I'm fever dreaming  
**Bm**  
Shake it up  
**A G**  
It's just what I'm feeling  
**A Bm**  
And now I take control  
**A D**  
I'm fever dreaming

(I'm fever dreaming)

**D**  
Oh, so quiet when they laid me in the stream  
**D**  
And the starlit sky  
**D**  
Grew before my eyes  
**D**  
Twenty-two women stood by the banks and cried  
**A**  
Oh ah  
**Bm**  
Wake me up  
**A G**  
I'm fever dreaming

**A**            **Bm**  
And now I lose control

**A**            **D**  
I m fever dreaming

**Bm**  
Shake it out

**A**                            **G**  
It s just what I m feeling

**A**            **Bm**  
And now I take control

**A**            **D**  
I m fever dreaming

**D**  
(I m fever dreaming)  
I must be fever dreaming  
(I m fever dreaming)
