

**Empire  
Of Monsters and Men**

 As the wind fends off the waves, I count down the days  
 C Dm  
 Heavy stones fear no weather

 I find comfort in the sound, and the shape of the heart  
 C Dm Am  
 How it echoes through the chest from under the ground  
 C Dm Am  
 As the hills turn into holes, I fill them with gold  
 C Dm  
 Heavy stones fear no weather

Fmaj7 Am G  
 And from the rain comes a river running wild

That will create an empire for you  
 Fmaj7 Am G  
 Illuminate, there s a river running wild that will create  
 Fmaj7 Am  
 an empire for you  
 G  
 an empire for two
