

Hunger
Of Monsters and Men

C7+ G D6/F#
 You were right, i ll move on
C7+
 But my lungs feel so small
G D6/F#
 I couldn t breathe if i tried
C7+ G D6/F#
 I lay my head on the floor
C7+
 My beating heart wanted more
G D6/F#
 But i ll keep it in and keep you out

C7+ G D6/F#
 I m drowning, i m drowning
C7+ G D6/F#
 I m drowning, i m drowning

 And for the longest time i knew
C7+
 There was nothing left for us to do
G D6/F#
 But i tried, oh i try
C7+ G D6/F#
 And in this quiet company
C7+
 There is nothing staring back at me
G D6/F#
 I m in need of a sound

C Em
 Hungry for the kill
G C
 But this hunger it isn t you
C Em G C

Voices disappear when you are speaking in sombre tunes

C Em G C
I will be the wolf and when you re starving you ll need it too
C Em
Hungry for the kill

But this hunger it isn t you

I grew tall to fill the void
C7+ G
Let me go because you are just a shade of what i am

Not what i ll be

But in this quiet company
C7+
I forgot sometimes just how to breathe

Fill my lungs with a sound
