[Intro]
G# C# G# C#

[Verse 1]

G#		C#
Oh I miss the comfort of this house.		
	G#	
Where we are, where we are,		
	C#	
Where we are, where we are.		
G#		C#
The floor under our feet whispers out:		
	G#	
Come on in, come on in,		
	C (let ring)	
where it all begins.		

[Chorus]

G#		C#
Can you chase this fire away?		
G#		C#
Can you chase this fire away?		

[Verse 2]

G#		C#
We climbed up to the top in worn out shoes,		
	G#	
But she ran down, she ran down,		
	C#	

She ran down to the house.

G# **C#**
A fox that gains our trust but then breaks it as he walks
G# **C#**
away from us, away from us.

Can you chase this fire away?

Can you chase this fire away?
