

**Mountain Sounds  
Of Monsters and Men**

Capo 4th Fret

**D** **F**  
I heard them calling in the distance  
**Am** **G**  
So I packed my things and ran  
**D** **F**  
Far away from all the trouble  
**Am** **G**  
I had caused with my two hands

**D**  
Alone we travelled on  
**F**  
With nothing but a shadow  
**Am** **G**  
We fled, far away

[Chorus]

**F** **Am**  
Hold your horses now  
**C**  
(Sleep until the sun goes down)  
**F** **Am**  
Through the woods we ran  
**C**  
(Deep into the mountain sound)  
**F** **Am**  
Hold your horses now  
**C**  
(Sleep until the sun goes down)  
**F** **Am** **C**  
Through the woods we ran

**D** **F**  
Some had scars and some had scratches  
**Am** **G**  
It made me wonder about their past  
**D**  
And as I looked around  
**F**  
I began to notice  
**Am** **G**  
That we were nothing like the rest

[Chorus]

**F Am**

Whoa-oh-oh-oh-oh

**C**

We sleep until the sun goes down

**F Am**

Whoa-oh, whoa-oh

**C**

We sleep until the sun goes down

**F Am**

Whoa-oh-oh-oh

**C**

We sleep until the sun goes down

[Chorus x2]

**F Am**

La la la, whoa-oh-oh-oh-oh

**C**

La la la, we sleep until the sun goes down

**F Am**

La la la, whoa-oh-oh-oh-oh

**C**

La la la, we sleep until the sun goes down
