

Slow Life
Of Monsters and Men

Dm

What are they talking about?

C

On the weekend

Gm

Lost in the forest of this heart

Dm

Is a foreign still

Dm

Why are they shaking their heads?

C

We re stuck in slow life

Gm

Is it the beating of the chest

Dm

That makes us feel the rest

Dm C Gm Dm

Dm

We re slowly sailing away

C

Behind closed eyes

Gm

Where not a single ray of light

Dm

Can puncture through the night

Bb

You caught me in the tide

Dm C

And I caught you

Gm

Sheltered by the night

Dm

C

Red in tooth and red in claw

Bb

You saw me in new light

Dm C

And I saw you

Gm

Sheltered by the night

Dm

C

Red in tooth and red in claw

Dm

Between the daylight

C

And the deep sea

Gm

Lies a swarm of silhouettes

Dm

Floating aimlessly

Dm

But I m a mountain

C

I am a killer

Gm

You ll get lost and buried deep

Dm

If you swim with me

Bb

You caught me in the tide

Dm C

And I caught you

Gm

Sheltered by the night

Dm

C

Red in tooth and red in claw

Bb

You saw me in new light

Dm C

And I saw you

Gm

Sheltered by the night

Dm

C

Red in tooth and red in claw

Dm C Gm Dm

Dm

whoa-oh whoa-oh-oh

C

whoa-oh whoa-oh-oh

Gm

whoa-oh whoa-oh-oh

Dm

whoa-oh whoa-oh-oh

Dm

So look at you, look at me

C

All because we need to know

Gm

So look at me, look at you

Dm

All because we ll never know

Dm

So look at you, look at me

C

All because we need to know

Gm

So look at me, look at you

Dm

All because we ll never know

Bb

whoa-oh whoa-oh-oh

Dm C

whoa-oh whoa-oh-oh

Gm

whoa-oh whoa-oh-oh
