

**Wolves Without Teeth
Of Monsters and Men**

Bm

Open my chest and color my spine

A

I m giving you all, I m giving you all

Em

Swallow my breath and take what is mine

G

I m giving you all, I m giving you all

Bm

I ll be the blood if you ll be the bones

A

I m giving you all, I m giving you all

Em

So lift up my body and lose all control

G

I m giving you all, I m giving you all

Bm

You hover like a hummingbird, haunt me in my sleep

A

You re sailing from another world, sinking in my sea

Em

Oh, you re feeding on my energy, I m letting go of it

Bm A

She wants it

G D

And I run from wolves, hoo ooh ooh

Bm A

Breathing heavily at my feet

G D

And I run from wolves, hoo ooh ooh

Bm A

Tearing into me without teeth

Bm

I can see through you, we are the same

A

It s perfectly strange, you run in my veins

Em

How can I keep you inside my lungs

G

I breathe what is yours, you breathe what is mine

Bm

You hover me like a hummingbird, haunt me in my sleep

A

You re sailing from another world, sinking in my sea

Em

Oh, you re feeding on my energy, I m letting go of it

Bm A

You can follow me

Em G

Bm A

You can follow me
