Does that make you feel any less alone in the world?

Your dad, I m sure, he tried his best,

He thought you d be better off living with your grandmother.

He didn t realize that she d already given up,

Baby, your family, they are all just losers.

Ooh.

The screech owls are going insane outside my house.

It is the season for trouble and self destruction.

All of my friends, they are falling apart,

But not me, I m in control.

Remember the exquisite corpse that we created together?
We laughed at the time, it seemed so impenetrable,
But reading it now I think I understand,
What it is that we re trying to steal from each other

I become such a wolf around you
My thoughts go dark and all out of focus
I have no peace in my mind
Because you,
You ve touched me.
Ooh, ooh, ooh.
