

Tim I Wish You Were Born A Girl  
Of Montreal

**F** **Am**  
Tim, wish you were born a girl  
**A#**  
wish you were born a girl  
**Am** **Gm**  
So I could ve been your boyfriend  
**C** **Dm** **Bb**  
I know it s not possible now  
**F** **C** **Am** **Gm**  
I just never met a girl I like half as much as you

**F** **Am** **A#**  
And we could lay around in bed, stay there all day  
**Am** **Gm**  
Or at least until the afternoon  
**C** **Dm** **Bb**  
And I could make you spaghetti with tomato sauce  
**F** **C** **Am** **Gm**  
With just a touch of oregano and a parsley stem

**F** **Am**  
And then when you got sick  
**A#**  
I could take the day off work  
**Am** **Gm**  
I could ve made you chicken soup  
**C** **Dm**  
And we could watch soap operas  
**Bb**  
Oh, those TV dramas  
**F** **C**  
I could catch your cold  
**Am** **Gm**  
And you could take care of me

**Am** **F** **Bb**  
Mmm, If I could ve met you at school, or met you at work  
**Gm**  
It would have changed everything  
**Am** **F** **Bb**  
Those years of losing, confusion and insecurity  
**Gm**  
They would have been shared  
**Am** **Bb**

They would have been easier

**F** **Am**  
Tim, wish you were born a girl  
**A#**  
wish you were born a girl  
**Am** **Gm**  
So I could ve been your fiance  
**C** **Dm** **Bb**  
I m not saying you can t be all these things for me  
**F** **C**  
But it s just not the same because you re a man  
**F**  
And so am I

**Am A# Am Gm**  
**C Dm Bb F C** (End on) **F**

I am aware that A# and Bb are the same chord, but I believe that when played differently, like so, it sounds better.
