

**Time I Wish You Were Born A Girl
Of Montreal**

F **Am**
Tim, wish you were born a girl
A#
wish you were born a girl
Am **G**
So I could ve been your boyfriend
C **Dm** **Bb**
I know it s not possible now
F **C** **Am** **G**
I just never met a girl I like half as much as you

F **Am** **A#**
And we could lay around in bed, stay there all day
Am **G**
Or at least until the afternoon
C **Dm** **Bb**
And I could make you spaghetti with tomato sauce
F **C** **Am** **G**
With just a touch of oregano and a parsley stem

F **Am**
And then when you got sick
A#
I could take the day off work
Am **G**
I could ve made you chicken soup
C **Dm**
And we could watch soap operas
Bb
Oh, those TV dramas
F **C**
I could catch your cold
Am **G**
And you could take care of me

Am **F** **Bb**
Mmm, If I could ve met you at school, or met you at work
G
It would have changed everything
Am **F** **Bb**
Those years of losing, confusion and insecurity
G
They would have been shared
Am **Bb**

They would have been easier

F **Am**
Tim, wish you were born a girl

A#
wish you were born a girl

Am **G**
So I could've been your fiancée

C **Dm** **Bb**
I'm not saying you can't be all these things for me

F **C**
But it's just not the same because you're a man

F
And so am I

Am A# Am G
