A **D**
I don t care for anything
E **A**
I can t stand this anyway
D
I d live fast if it were fun
E **A**
Am I old enough to die young?
D
I count one and I count two
E **A**
I hope to hell I don t see you
D
I m waiting on these goddamn drugs
E
Transport, I gotta transport

A
Hey Mom and Dad don t shop universities
D **E**
Don t worry about our future or the matter of succeeding
A **D**
I m not bluffing on how I don t wanna live to be 34
E **A**
But when I m 40 I ll sing it once more
D
The brittled boned boys march again
E **A**
they ll validate with cheap slogans
D
and reminisce about being dumb kids
E **A**
But then of course go sing it again

A **D**
Am I scared or just plain bored
E **A**
I ll try things I wouldn t before
D
My ten foot pole got cut real short
E **A**

And curiosities not what for

Self destruction from apathy
