Intro: **B**

B

I can't believe I'm not over you.

F#

Now I don't know what to do,

E F#

so I guess I'll get fucked up

B

and hopefully fall asleep soon.

Now there's nothing left for me to do

F#

but sit alone in my room.

E

The restraining order won't

F# B

let me get close to you.

E

B

I had a different way of loving you.

F#

You wouldn't answer your phone

E

so I'd burn my fingers,

B

but I knew the next time I'd try calling you

F#

that you'd be home.

E

I'd ask the reasons why you love me,

B

and why did you ever want to be with me.

F#

Was I just there to piss off daddy?

E F#

Just please don't go until I figure

B

out what's wrong with me.

Interlude:

B F# B F#
E F# E F#

E B
But that was such a long fucking time ago.

F#
You might think it would get old

E
rehashing things in my life,

B
but I don't have a say in it.

F# E
I realize that I'm a selfish, mean, sad excuse

of a human being, and it dawns on me

B
that you don't deserve me anyway

E B
Deserve me anyway (x3)
