

Cause nothing here is mad or bad, or dangerous to know.

Pre-Chorus:

G

You can make a click, making me pop.

G

Going for the gold with a clean cut.

D

F#m

Searching no more, all melodies are coming ashore, flushing over me.

Chorus:

Em **Bm** **A**

You are all over my rainbow,

G **Bm** **G** **D**

Taking the scene in my crazy dream.

Em **Bm** **A**

Only you are on my rainbow,

G **Bm** **G** **D** **Em**

No one else here, nothing gets near...you

From here just repeat chorus chords...

Even though I m not a 100% sure,do rate if it helped :)
