

Heart Hope  
Oh Wonder

[Intro] F F F F  
Dm F Bb F  
Dm F Bb F

Dm C  
They re building towers that are high enough to see the clouds  
F  
But it don t bother me

Dm C  
The elevators working overtime up and down  
F  
Yet it don t bother me

Dm C  
Cause I need something more than everything  
F  
A higher self deep within

Dm C  
Cause I need something more than everything  
Bb  
A higher self, a higher self

Gm F C  
And I know we need a little heart hope  
Bb F C  
I know we ve gotta outgrow and feel a little heart hope

F

Dm C  
They re building aeroplanes faster than the speed of light  
F  
Yet it don t bother me

Dm C  
The endless cities multiplying out oceansize  
F  
Yet it don t bother me

Dm C  
Cause I need something more than everything  
F  
A higher self deep within

Dm C  
Cause I need something more than everything  
F  
A higher self, a higher self

**Gm** **F** **C**  
And I know we need a little heart hope  
**Bb** **F** **C**  
I know we ve gotta outgrow and feel a little heart hope  
**Dm**  
Cause there is something more than everything  
**C**  
So feel the love and let it in  
**Gm** **F** **C**  
Cause I know we need a little heart hope

**F**  
  
**Gm** **F** **C**  
And I know we need a little heart hope  
**Bb** **F** **C**  
I know we ve gotta outgrow and feel a little heart hope  
**Dm**  
Cause there is something more than everything  
**C**  
So feel the love and let it in  
**Gm** **F** **C** **F**  
And I know we need a little heart hope
