Like two satellites in separate orbits
Emaj7   **C#7sus4**
Like a quiet life that s slowly distorted
         B7sus4/F#   **C#7sus4**
I was so lonely in love

Like two radios, our frequency fading
Emaj7   **C#7sus4**
Why can t we start again without tessellating

Cut short, now heaven knows a love without feeling
