Heavy
Oh Wonder

[Intro] **Am D/A Em D**

Am
You got that throne
Am   **D/A**
Baby you got that throne
        Em
That golden majestic glow
Em   **D**
Delight, delight, delight, delight
Am
And I got that hope
Am   **D/A**
Ready electric go go
Em
Simple volcano flow
Em   **D**
Delight, delight, delight, delight

Em
And I could hold you endlessly
Em   **Em/B**
Ultralife just you and me
Asus4
Oh my heart is aching
Asus4   **Asus2**
From my body breaking
Em
There s magic in the way you move
Em   **Em/B**
Stop the world it s only you
Asus4
Oh my heart is waking
Asus4   **Em**   **D Am**
Cause I could be your one and only

Am   **Am   Em/B   Em**
We can get heavy on it all night, all night, all night
Esus4   **Em   D   Am**
Shoot into the sky until it s too bright, all night, all night
Am   **Am   Em/B   Em**
We can get heavy on it all night, all night, all night
Esus4   **Em   D**
Shoot into the sky until it s too bright, all night, all night
N.C.
I could be the only, I could be the only one

Am   D/A   Em   D

Am
You got that way
Am   **D/A**
Baby you got that way with
Em
Finding outer space
Em   **D**
Delight, delight, delight, delight
Am
And I got that taste
Am   **D/A**
Hoping that one night blaze
Em
That animalistic chase
Em   **D**
Delight, delight, delight, delight

Em
And I could hold you endlessly
Em   **Em/B**
Ultralife just you and me
Asus4
Oh my heart is aching
Asus4   **Asus2**
From my body breaking
Em
There s magic in the way you move
Em   **Em/B**
Stop the world it s only you
Asus4
Oh my heart is waking
Asus4   **Em**   **D   Am**
Cause I could be your one and only

Am   **Am   Em/B   Em**
We can get heavy on it all night, all night, all night
Esus4   **Em   D   Am**
Shoot into the sky until it s too bright, all night, all night
Am   **Am   Em/B   Em**
We can get heavy on it all night, all night, all night
Esus4   **Em   D**
Shoot into the sky until it s too bright, all night, all night
N.C.
I could be the only, I could be the only one

Am   **D/A**   **Em**   **D**
(Dah dee, dah dee, dah dee, dah dah, dah dee) I could be the only, I could be
the only one
Am   **D/A**   **Em**   **D**
(Dah dee, dah dee, dah dee, dah dah, dah dee) I could be the only, I could be
the only one

```
Am                             D/A     Em                                      D
(Dah dee, dah dee, dah dee, dah dah, dah dee) I could be the only, I could be
the only one
Am                             D/A     Em                                      D
(Dah dee, dah dee, dah dee, dah dah, dah dee) I could be the only, I could be
the only one
```
