Love locked in an overflow

Cause I stood on the sidelines telling you

That I get that you're lonely

G Am

And I see that you feel alone

F C

But I heard in a heartbeat

G F

I'll be there here for you, you know

Am G

So when you're caught in a landslide

C F

I'll be there for you, I'll be there for you

Am G

And in the rain, give you sunshine

C F

I'll be there for you, I'll be there for you

Am G

And every time that you're lonely

Every time that you re feeling low, you should know
