Oh Wonder

[Intro] **Em G C Am7**

Em **G**
I ve been depending on the overgrown
C **Am7**
Too many lovers that I ll never know
Em **G**
Counting my losses as I let them go
C **Am7**
Heavy the water as I sink below

Em **G**
Down down deep down

Down down deep down

Em **G**
Oh won t you be my livewire?
C **Am7**
Make me feel like I m set on fire
Em **G**
Your love will take me higher and higher
C **Am7**
Oh won t you be my livewire, my livewire?

Em **G**
I ve been pretending all my shots are blown
C **Am7**
Cover my heart up never let it show
Em **G**
I m shaking it off to find a higher low
C
So heavy the water
Am7
Oh so heavy the water falling

Em **G**
Down down deep down
C
Down deep down
Am7
Down down deep down

Can you hear me falling

Em **G**
So hold me when I fall away from the lines
C **Am7**
When I m losing it all, when I m wasting the light
Em **G**
And hold me when I put my heart in your hands
C **Am7**
When I m losing it all, when I m wasting it all

Em **G**
Oh won t you be my livewire?
C **Am7**
Make me feel like I m set on fire
Em **G**
Your love will take me higher and higher
