

Plans

Oh Wonder

[Verse 1]

B F# D#m
Made a home in a basement
C# B
Didn't think that I'd need the light
F# D#m
Cause all these plans I've been making
C# B
Get me out of here in time
F# D#m
But it's always two steps backwards
C# B
Too much gravity to feel the highs
F# D#m
And all these plans I've been chasing
C#
Getting caught up and wasted

[Pre-Chorus]

G#m F# B
I don't know where the money goes
F# G#m
I get broke as the city glows
F# B
Shines bright as I sink down low
F#
Down low

[Chorus]

B F#
But I've got plans to get to you
D#m C#
You know, don't you know
B F#
Gonna build a paper plane to float to you
D#m C#
You know, don't you know
G#m B
We'll be scraping the skies with our fingertips
F# C#
Screaming
