

**Shark**  
**Oh Wonder**

Intro: **Bm G D**

**Bm**                    **G**            **D**  
Standing on the world outside,  
**Bm**                    **G**            **D**  
Caught up in a love landslide,  
**Bm**                    **G**            **D**  
Stuck still, colour blind,  
**Bm**                    **G**            **D**  
Hoping for a black and white.

**Bm**                    **D**  
Are you gonna be my love  
     **Em**            **G**  
Are you gonna be mine  
**Bm**                    **D**  
I feel it falling from the skies above,  
     **Em**            **G**  
Are you gonna be mine  
     **Bm**                    **D**  
My wave, my shark, my demon in the dark,  
     **Em**                    **G**  
The blue tide pulling me under,  
             **Bm**                    **D**  
Or are you my soul, my heart, pull everything apart  
**Em**                    **G**                    **Bm**            **D**  
Are you gonna, are you gonna be my love  
**Em**                    **G**                    **Bm**            **D**  
Are you gonna, are you gonna be my love

**Bm**                    **G**            **D**  
Walking on the clouds unknown,

**Bm**                    **G**            **D**  
Drop down oh I will never go, never go, never go,

**Bm**                    **G**            **D**  
Floating like gravity has grown

**Bm**                    **G**            **D**  
Reach down to a deep deep hole, deep hole, deep deep hole.

**Bm**                    **D**  
Are you gonna be my love  
     **Em**            **G**  
Are you gonna be mine  
**Bm**                    **D**
