G **G#/Ab**
Before the earth was round
Am **F**
There was no end to things
Gm **G#/Ab** **Am** **Gm F**
No one tried to measure what they knew
Cm **B**
Everything was warm
F
And everyone would love
Gm **C**
And every contradiction was true
Bm
The sun worked twice as hard
Am
And the moon was twice as far
B **C C D C**
And the sky was still honestly blue
Em **C**
The sky was still honestly blue

SOLO(ish)

UNK **D** **Cm**
But when the time came
Am **Cm**
Everything spiraled in
UNK **D** **Cm**
And everyone forgot what they knew

UNK **G**
War became a job
G#/Ab
And love became a mystery
UNK **C**
And heart and head were bent out of tune
UNK **G**
Fear and doubt began
G#/Ab
And God threw up his hands

Dm

UNK G Cm G#/Ab

And the sky didn't know what to do

Dm

UNK G Cm G#/Ab

The sky didn't know what to do (2 times)
