Album: Of the Blue Colour Of the Sky
Tabbed By: J Goddard (joestar636@hotmail.com)
[INTRO]
A - B - GH - A x2
[VERSE]
                                G#
Α
         в
                                                 Α
 Oh sugar, oh sugar can t you see how hard I m trying?
                                                  G#
Α
                   в
                                                                 А
 You know you gotta, you know you gotta eventually make up your mind.
                     Α
                                            в
Cause no one s gonna find you when you re hiding in the dark.
               G#
                                     Α
No one s gonna find you when you re hiding in the dark.
              Α
                                     в
No one s gonna find you when you re hiding in the dark.
              G#
                       A
No one s gonna find you.
