

Its Tough To Have A Crush
OK Go

This song only has three chords (atleast that I can tell). It s pretty straight forward. The three chords it uses are:

	D	A	Gm
e	--5--5--3--		
B	--7--5--3--		
G	--7--6--3--		
D	--7--7--5--		
A	--5--7--5--		
E	-----5--3--		

The whole song repeats one pattern over and over which looks like this:

D A Gm A x3

D Gm/A D D x1

Note: the Gm/A means half a bar of each chord.
