

Do What You Gotta Do
Okkervil River

Capo on 1st Fret

Intro : F Bb x 2

F C Dm
Man, I can understand how it might be kind of hard to love a girl like me
F Bb
I don't blame you much for wanting to be free
C F
I just wanted you to know
F C Dm
I loved you better than your own kin did from the very start
F Bb C
It's my own fault for what happens to my heart
F
You see I've always known you'd go

C Bb F
But you just do what you gotta do, My wild sweet love
Dm C Bb F
Though it may mean I'll never kiss those sweet lips again
Bb F
Pay that no mind
Bb C
Just find that dappled dream of yours
F
Come on back and see me when you can

F Bb x2

F C Dm
Well, I know they make you sad, they make you feel so bad
F
They say you don't treat me like you should
Bb
Folks got ways to make you feel no good
C F
I'd guess they've got no way to know
C Dm
I've had my eyes wide open from the very start
F
And boy, you never lied to me
Bb C
And the part of you they'll never see
F
Is the part you've shown to me

So you just do what you gotta do
My wild sweet love
Though it may mean I ll never kiss those sweet lips again
Pay that no mind
Just find that dappled dream of yours
Come on back and see me
Come on back and see me when you can

okay thats it, pretty much. email corrections to alifly21@gmail.com :)
