Note: Between the Em Chord and the G chord
there is an F# bass.

Am Em G D
Big city calling, I hear the echo outside
Am Em G D
There s something so frightening in the deep western sky
Am Em G D
I wish it was simple saying goodbye
Am Em G D
Comfort me later, for now let me cry

Am Em G D X2

Am Em G D
Will cracks in the pavement bring me some sort of truth
Am Em G D
Will they find some way to remind me of you
Am Em G D
Will the train running eastbound help me remember my part
Am Em G D
Will the wish for release fill the holes in my heart
C G D A
The sky filled with phantoms in their towers of light
C Em G D
And lovers so restless give themselves to the night
C G C D
If you cut me wide open and you looked deep inside
Am C Am C G
Would you find something deeper than this worrying mind?

Instrumental: G D Am C X2
Am C Am D

Am Em G D
This room is too empty and these streets are too wide
Am Em G D
And I don t have the patience for this pain to subside
Am Em G D
So I m off to the land of litter and lights
Am Em G D

Where rats in the tunnels keep the ghosts up all night

C **G** **D** **A**

I ll learn the streets slowly, maybe find someone new

C **Em** **G** **D**

We ll drink up the sunrise and wake up with the moon

Am **Em** **G** **D**

But I m not so stupid, I m not such a fool

Am **C**

To think that I ll stop

Am **C** **G** **D**

Stop thinking of you

Am **C** **Am** **C** **D**

I m not so stupid, I m not such a fool

Am **C**

To think that I ll stop

Stop thinking of you
