Big city calling, I hear the echo outside

There s something so frightening in the deep western sky  
**Bbm**                            **Fm**            **G#**                            **Eb**  
I wish it was simple saying goodbye

Comfort me later, for now let me cry

**Bbm**    **Fm**    **G#**    **Eb** X2

**Bbm**                            **Fm**            **G#**    **Eb**  
Will cracks in the pavement bring me some sort of truth  
**Bbm**                                    **Fm** **G#**    **Eb**  
Will they find some way to remind me of you  
**Bbm**                                    **Fm**            **G#**    **Eb**  
Will the train running eastbound help me remember my part  
**Bbm**                                    **Fm**            **G#**    **Eb**  
Will the wish for release fill the holes in my heart  
**C#**                                    **G#**    **Eb**    **Bb**  
The sky filled with phantoms in their towers of light  
**C#**                                    **Fm**            **G#**    **Eb**  
And lovers so restless give themselves to the night  
**C#**                                    **G#**    **C#**    **Eb**  
If you cut me wide open and you looked deep inside  
**Bbm**                                    **C#**            **Bbm**                                    **C#**            **G#**  
Would you find something deeper than this worrying mind?

                  **Bbm** **C#** **Bbm** **Eb**

**Bbm**                            **Fm**            **G#**    **Eb**  
This room is too empty and these streets are too wide  
**Bbm**                                    **Fm**            **G#**    **Eb**  
And I don t have the patience for this pain to subside  
**Bbm**                                    **Fm** **G#**    **Eb**  
So I m off to the land of litter and lights  
**Bbm**                                    **Fm**            **G#**    **Eb**

Where rats in the tunnels keep the ghosts up all night  
**C#** **G#** **Eb** **Bb**  
 I ll learn the streets slowly, maybe find someone new  
**C#** **Fm** **G#** **Eb**  
 We ll drink up the sunrise and wake up with the moon  
**Bbm** **Fm** **G#** **Eb**  
 But I m not so stupid, I m not such a fool  
**Bbm** **C#**  
 To think that I ll stop  
**Bbm** **C#** **G#** **Eb**  
 Stop thinking of you  
**Bbm** **C#** **Bbm** **C#** **Eb**  
 I m not so stupid, I m not such a fool  
**Bbm** **C#**  
 To think that I ll stop

 Stop thinking of you
