

Eastbound
Ola Podrida

Ola podrida - Eastbound

Note: Between the Em Chord and the G chord there is an F# bass.

G#m **Ebm** **F#** **C#**
Big city calling, I hear the echo outside
G#m **Ebm** **F#** **C#**
There s something so frightening in the deep western sky
G#m **Ebm** **F#** **C#**
I wish it was simple saying goodbye
G#m **Ebm** **F#** **C#**
Comfort me later, for now let me cry

G#m **Ebm** **F#** **C#** X2

G#m **Ebm** **F#** **C#**
Will cracks in the pavement bring me some sort of truth
G#m **Ebm** **F#** **C#**
Will they find some way to remind me of you
G#m **Ebm** **F#** **C#**
Will the train running eastbound help me remember my part
G#m **Ebm** **F#** **C#**
Will the wish for release fill the holes in my heart
B **F#** **C#** **G#**
The sky filled with phantoms in their towers of light
B **Ebm** **F#** **C#**
And lovers so restless give themselves to the night
B **F#** **B** **C#**
If you cut me wide open and you looked deep inside
G#m **B** **G#m** **B** **F#**
Would you find something deeper than this worrying mind?

Instrumental: **F#** **C#** **G#m** **B** X2
G#m **B** **G#m** **C#**

G#m **Ebm** **F#** **C#**
This room is too empty and these streets are too wide
G#m **Ebm** **F#** **C#**
And I don t have the patience for this pain to subside
G#m **Ebm** **F#** **C#**
So I m off to the land of litter and lights
G#m **Ebm** **F#** **C#**

Where rats in the tunnels keep the ghosts up all night
B F# C# G#
I ll learn the streets slowly, maybe find someone new
B Ebm F# C#
We ll drink up the sunrise and wake up with the moon
G#m Ebm F# C#
But I m not so stupid, I m not such a fool
G#m B
To think that I ll stop
G#m B F# C#
Stop thinking of you
G#m B G#m B C#
I m not so stupid, I m not such a fool
G#m B
To think that I ll stop
G#m B F#
Stop thinking of you

Hope you liked it :)
