

Lost And Found
Ola Podrida

The car crashed but everybody was okay
But that don t mean we re gonna have to stay
So c mon, I m ready to go when you re done
Let s trash this place before we run
And if we both fall down
Another train will come around
Packed with others getting lost and found

By now we re finishing each other s thoughts
Everyone else seems to want what we ve got
But I m not afraid to say goodbye
As long as someone else has caught my eye
Everyone s a dove when they fall in love
The roses cover up the old debris
Keeping their eyes down
Until they can t ignore the sound
Of all the others getting lost and found

Instrumental : Eb Bb G# Eb Bb
Eb Bb G# Bb Eb

We all have hearts so pure
But some hearts can t endure
The iridescent light of folly s lure
We give in to the sound

Of that old train coming round
