

Run Off The Road
Ola Podrida

[Verse 1]

Thinking you had heard the siren singing

What you really heard was a broken bird

Making out like it s a dove

[Verse 2]

C F C G
When you stole the soldier s car
C F Am G
Everybody knew what you were thinking
C F C Am
Ivory towers and lover s flowers
C G Am
But no one thought you were a fool

[Chorus]

You never stopped to notice all
Em Am F
The stolen clothes stacked in the hall
Em Am G C
From the others who scaled the wall just to
G Am C
Find themselves fun off the road

C F C Am C Em Am F

[Verse 3]

C F C G
When you showed up at the farm
C F Am G
Visions of the summer flying past you
C F C Am
The foxes had torn up the mother and her pups
C G Am
And the well was full of flies

[Verse 4]

C F C G
When you walked down to the pond
C F Am G
Searching for the lover guiding you

C **F** **C** **Am**
It had been filled in with rusty nails and then
C **G** **Am**
You finally knew that you were lost

[Chorus]

Em **Am** **F**
No one thought you were a fool
Em **Am** **F**
Even though everyone knew
Em **Am** **G** **C**
What you wrote was the same, just a different name
G **Am** **C**
Of those who escaped before you.
