

Run Off The Road
Ola Podrida

[Verse 1]

C# F# C# G#
When you finally scaled the wall
C# F# Bbm G#
Thinking you had heard the siren singing
C# F# C# Bbm
What you really heard was a broken bird
C# G# Bbm
Making out like it s a dove

[Verse 2]

C# F# C# G#
When you stole the soldier s car
C# F# Bbm G#
Everybody knew what you were thinking
C# F# C# Bbm
Ivory towers and lover s flowers
C# G# Bbm
But no one thought you were a fool

[Chorus]

Fm Bbm F#
You never stopped to notice all
Fm Bbm F#
The stolen clothes stacked in the hall
Fm Bbm G# C#
From the others who scaled the wall just to
G# Bbm C#
Find themselves fun off the road

C# F# C# Bbm C# Fm Bbm F#

[Verse 3]

C# F# C# G#
When you showed up at the farm
C# F# Bbm G#
Visions of the summer flying past you
C# F# C# Bbm
The foxes had torn up the mother and her pups
C# G# Bbm
And the well was full of flies

[Verse 4]

C# F# C# G#
When you walked down to the pond
C# F# Bbm G#
Searching for the lover guiding you

C# **F#** **C#** **Bbm**
It had been filled in with rusty nails and then
C# **G#** **Bbm**
You finally knew that you were lost

[Chorus]

Fm **Bbm** **F#**
No one thought you were a fool
Fm **Bbm** **F#**
Even though everyone knew
Fm **Bbm** **G#** **C#**
What you wrote was the same, just a different name
G# **Bbm** **C#**
Of those who escaped before you.
