

Run Off The Road  
Ola Podrida

[Verse 1]

**B E B F#**  
When you finally scaled the wall  
**B E G#m F#**  
Thinking you had heard the siren singing  
**B E B G#m**  
What you really heard was a broken bird  
**B F# G#m**  
Making out like it s a dove

[Verse 2]

**B E B F#**  
When you stole the soldier s car  
**B E G#m F#**  
Everybody knew what you were thinking  
**B E B G#m**  
Ivory towers and lover s flowers  
**B F# G#m**  
But no one thought you were a fool

[Chorus]

**Ebm G#m E**  
You never stopped to notice all  
**Ebm G#m E**  
The stolen clothes stacked in the hall  
**Ebm G#m F# B**  
From the others who scaled the wall just to  
**F# G#m B**  
Find themselves fun off the road

**B E B G#m B Ebm G#m E**

[Verse 3]

**B E B F#**  
When you showed up at the farm  
**B E G#m F#**  
Visions of the summer flying past you  
**B E B G#m**  
The foxes had torn up the mother and her pups  
**B F# G#m**  
And the well was full of flies

[Verse 4]

**B E B F#**  
When you walked down to the pond  
**B E G#m F#**  
Searching for the lover guiding you
