**F#**            **G**

[VERSE]

**D**                **A**                **D**  
Rowboat... lightning...  
                         **G**                                **F#**  
I kissed her, yeah, it didn t mean a thing  
   **G**  
Seems like years ago it was yesterday

[VERSE]

**D**                **A**                **D**  
Fire drill... yell freeze...  
                         **G**                                **F#**  
Don t hang around long face disease  
   **G**  
I got a book of poems that s gonna set you free

[CHORUS]

**D**  
Well it s bad luck  
                 **A**  
And it s a hard luck story  
                 **Bm**                                **G**  
And I m sorry I ain t sticking around  
                 **D**                                **A**                                **G**  
I got a real bad feeling that a book of poems ain t enough  
                 **D**  
Well it s a sick world  
                 **A**  
And sixteen days  
                 **Bm**                                **G**  
I got nightmares every night  
                 **D**                                **A**                                **G**  
I got a real bad feeling that a book of poems ain t enough
