F C

The lights were low but I was lower, the radio was playing somewhere else
The room was full of surface tension, I was only thinking 'bout myself

C Dm Am G

No baby I no baby I no baby I don't want to see you hurt

C G

You got them tears they fall like pearls

Dm Dm/E F F F/G F/A F/B C

Blame it on gravity, yeah Blame it on being a girl

F C

The room was full of undertakers, movers and martini shakers gone
The reaper left at 7:30, took off in a taxi with a blonde

G F

The difference between us Is way down on the inside

G F

It's very tricky business

C Dm Am G

No baby I no baby I no baby I don't want to see you hurt

C G

You got them tears they fall like pearls

Dm Dm/E F F F/G F/A F/B C

Blame it on gravity, yeah Blame it on being a girl

Dm Dm/E F F F/G F/A F/B C

Blame it on gravity, yeah Blame it on being a girl

Here's a toast to no Good Friday, I was bound to do it my way wrong
Strum it on a telecaster, sing it like a train disaster song

G F

The difference between us Is way down on the inside
